An infill development on an environmentally remediated site at the northeast corner of 88 Avenue and 120 Street (Scott Road), previously occupied by a gasoline station. It meets the Scott Road Corridor Guidelines developed in conjunction with the Corporation of Delta towards higher-density, mixed-use nodes and pedestrian oriented developments along this important urban corridor shared by the two localities.

PROUD SUPPLIERS OF THIS PROJECT

CONGRATULATIONS  
to the Mann Corporate  
Center on their  
nomination for the  
Fraser Valley  
Commercial Building  
Awards.

It has been a pleasure  
to work on this project.

We wish you success  
now, and in the future.

Sincerely,  
**Nathan Doerksen**
